Occasional travel passes to/from school can be obtained from Senior School Student Office, Berwick Grammar Reception or payment made directly to the bus driver.

Following is a list of bus services for students. For Victorian Public Transport services parents should contact the relevant bus company with any queries or ptv.vic.gov.au, for all other services please contact Student Office via email at studentoffice@stmargarets.vic.edu.au

CONVEYANCE ALLOWANCE PROGRAM

To be eligible to claim for conveyance allowance students must attend a school which is in an eligible postcode or the school must be outside of the Urban Growth Boundary (UGB). As of 2013 Berwick and Officer were within the revised UGB. The Department of Education therefore deemed that students attending St Margaret's were not eligible to claim the conveyance allowance but students attending Berwick Grammar have been given an exemption at this stage.

From 2013, the Department of Education put in place 'grandfathering' arrangements to assist in the transition phase for St Margaret's and Berwick Grammar students who were claiming the Conveyance Allowance in 2012. These students **will continue to be paid the allowance** until they complete **either** their primary **or** secondary schooling, or unless they move schools or change addresses.

Unfortunately, SMS students moving from Year 6 2017 to Year 7 2018 will no longer be able to claim.

A copy of all information from the DEECD Student Transport Unit and 2018 Claim forms are available from the St Margaret's and Berwick Grammar School Parent Lounge – School Links/ 2018 Conveyance Allowance Parent Information.

Student Eligibility for new claims:

For a student attending a mainstream school to be granted a conveyance allowance a number of criteria must be met.

Criterion 1 –

- The campus of the school attended must be located outside the Conveyance Allowance Melbourne Metropolitan Boundary (MMB).
(Exemptions do apply to some schools within the MMB. Berwick Grammar is an exempt school).

Criterion 2 – The Student must

- be a Victorian resident.
- be of school age.
- reside 4.8 kilometres or more by the shortest practicable route from the school/campus attended.
- attend the nearest appropriate school at which admission is possible.

Before completing this form please read the information about the Conveyance Allowance Program at <http://www.education.vic.gov.au/school/principals/safety/pages/transportscas.aspx>

E. & O.E

'Be Aware' Bus Safety

A reminder to parents of students who travel on buses to or from school.

Records show that most accidents and injuries do not happen while on the bus, they happen at bus stops before the bus arrives or after the bus has pulled away.

Please remind your students that they must wait until the bus has driven away before attempting to cross the road.

If possible, parents are advised to wait on the same side of the road or walk across to meet students at the bus stop.
