

St Margaret's School
Berwick Grammar School

VCE Success

Congratulations to the inaugural graduates of Berwick Grammar School on their outstanding VCE success. As foundation students they have established a culture of excellence, teamwork and inclusion, setting the benchmark for generations of students to follow. We wish you well in your future endeavours and will follow your progress closely. Be good and work hard – Virtute et Labore

Mr Doug Bailey, Principal

Our Dux of the School this year is Ryan Ahern who received an ATAR of 98.75. As a school community we are extremely proud of his academic excellence and achievement. In 2014 Ryan fully participated in all aspects of school life as well as working hard towards his fantastic achievement in the VCE. He received subject prizes for excellence in English, Mathematics and the Sciences and was awarded Academic Colours in Semester 1.

Throughout Ryan's time at Berwick Grammar School he has been an exemplary role model to the other boys, receiving Colours for debating, House, as well as receiving a Silver Unicorn. Ryan held the positions of Enrichment Captain and Forsyth House Captain in 2014. The school community has benefitted enormously from Ryan's significant contributions to the Debating team and, in 2012 as a member of the award-winning Human Powered Vehicle team.

Ryan has ably assisted at many school events showing leadership and representing the school admirably in all he has done. He assisted in the creation of the school magazine and for this, received Service Colours.

Ryan plans to study Aeronautical Engineering as part of a Science Degree at Monash University in 2015. He is wished every success in the future and thanked for his efforts and contribution to Berwick Grammar School.

Our small foundation cohort of students have worked cohesively and supported one another throughout this significant year. Their positive attitude, close relationships and determination has attributed to them achieving very pleasing results. As a cohort they are to be commended on their results and we wish them all the best for their future endeavours.

We are pleased to present the individual students who obtained an ATAR score over 90.

2014 MILESTONE YEAR

The Class of 2014 have celebrated many milestones over their journey at Berwick Grammar School. Their exemplary results demonstrate their commitment to their studies, connections to the school and the level of involvement with everything they have experienced while students at the school. This group of boys have taken responsibility for developing a culture of hard work and excellence and the staff who have worked with them throughout their time here have derived much pleasure from being involved with such a caring, genuine and friendly group.

They have carved a pathway for other boys to follow and have truly set the foundations, leaving a legacy to be proud of. The boys have lead admirably

and have inspired respect for their persistence and positive attitudes. Many times they have been reminded of their responsibility and they have not taken it lightly. Our boys have developed a sense of the extraordinary and have embraced all of the opportunities offered to them. Their compassion, genuine sense of fun and collegiality have enabled them to come through the year with the results they deserve. They have exemplified our core values of compassion, determination and social responsibility not only this year, but throughout their time as members of our school community.

The results achieved are a tribute to the outstanding teachers that they have worked with. The dedication of the staff has been enhanced by the passion

they have shown and their deep knowledge of their individual subject areas. Each boy has been encouraged to be the best he can be by teachers who believe in him.

As a school community we are extremely proud of all that the Class of 2014 have achieved.

Congratulations to the Class of 2014

- 14% obtained an ATAR over 90 placing them in the top 10% of the nation
- 21% of the year level attained ATAR scores over 85, placing them in the top 15% of the nation.
