

St Margaret's School
Berwick Grammar School

BOB

Bottoms On Benches

CAMPAIGN

We seek the assistance of the community to enhance the school grounds with the provision of additional seating for the students that will complement the environment and reflect the importance of building community.

By contributing to the purchase of a permanent fixture, you will be part of the future of St Margaret's and Berwick Grammar School.

Ms Annette Rome, Principal

'Our beautiful garden and shady trees make the perfect setting for bench seats so that our Junior School children can sit, chat and laugh together with their friends and classmates.'

'Great schools are defined by a sense of community forged by authentic relationships. Benches provide an opportunity for our staff and boys to share our rustic and beautiful Antipodean environment to build trust and share ideas for learning.'

'The addition of strategically placed benches around our Senior Girls campus will add to the enjoyment of our beautiful gardens. They will provide places for relaxation, contemplation and inspiration.'
