PERFORMING ARTS

The ‘Friends of Performing Arts’ support music and drama (props, costumes, back stage assistance, make-up and selling of refreshments at annual events). We are very fortunate and proud that our students, families and staff are passionate about creating and presenting excellence in the performing arts.

Proceeds will fund the purchase of radio microphones for groups such as Electric 7, New synthesizer called a MALLETKAT (approx. $4600), Euphonium/oboe/bassoon/baritone sax.
