We are asking our community to assist with providing a cake or biscuits for sale at the Fair. Due to health regulations we are unable to sell cakes which require refrigeration like those containing cream, custard or pastry items such as savoury meat pies and sausage rolls. Please bring your item on a plastic plate covered by a clear plastic bag to either Junior School or Senior School reception on Thursday 25 February or Friday 26 February by 12noon.

In order for us to comply with the City of Casey health regulations, please cut off and complete the docket below and affix it to the outside of a clear plastic bag.

A tracking system must be used for food and you are asked to add in the space CHILD’S ID, which is their initials and class identification, e.g. John Smith in Year 1AJ would be noted on the form as JS 1AJ.
